RA-191 T.S. Elliot and the Search for God

This course explores the spiritual quest as depicted in the poems, plays, and essays of the twentieth century's greatest poet. From the spiritual desolation of "The Waste Land" to the Christian vision of time, eternity, incarnation, and redemption in "Four Quartets," Eliot maps the spiritual quest in prescient ways - engaging postmodern relativism and secularism; the struggle between faith and doubt; the desire for private revelation; and pluralism. Ultimately, Eliot discovers God in a sacramental faith grounded in the 'hints and guesses' of Incarnation. 'The rest,' as he writes in "The Dry Salvages," 'is prayer, observance, discipline, thought and action.' Students will closely read, analyze, and discuss Eliot's major works, exploring connections between his depiction of the spiritual quest and today's postmodern "seeker" culture. They will examine how poetry, in its use of metaphor, symbol, and analogy, functions as an alternate language for theology, pointing toward
